

Freakfest Impacts

Bike Parking Impacts:

- Bike racks on State Street will be removed for the event as will racks on Gilman St by Peace Park and racks on Francis St just off of State.
- City staff began tagging bike racks with the information on rack removal yesterday.
- Bikes must be removed from these racks by 7am on Fri, Oct 25. Any bikes remaining in the racks at that time will have the locks cut and bikes removed prior to moving the racks.
- Empty racks will start to be removed on Thus, Oct 24.
- Bike racks will be returned as soon as possible after the event.

Street Closures on Sat, Oct 26:

- State Street - Only ticketed Freakfest attendees will be allowed on or across State Street starting at 7pm.
- During the event there will be no crossing of State St by bicycles and pedestrians except at Lake St and the part of the Capitol Square way fro State Street. People not attending Freakfest who need to travel through downtown should use the Capitol City Path. If you are traveling downtown for other activities please plan ahead.
- Streets crossing State Street will begin closing at 5pm. Lake St, Johnson St and Dayton St will close at 5pm (bicycles and pedestrians will still be able to cross Lake St but motor vehicles will not). Gorham St will close at 6pm.
- Streets will remain closed until approximately 3am on Sun, Oct 27 although the official end of the ticketed event is 1:30am.
- N Basset St, which has been closed for reconstruction, will be reopened on Saturday but the new parking protected bike lane will not be installed by this time.

BCycle Impacts:

- Starting the evening of Thurs, Oct 24 the stations at State & Frances and the Top of State Street at Mifflin St will be closed.
- Stations near the event such as Ian's Pizza and Hawthorne Ct will have limited availability.
